Selected Large Scale Projects

- Two, eight-foot commission pieces - Hilton Hotel - Columbia, SC.
- Two, fourteen-foot triptych commission pieces - Greenville-Spartanburg International Airport.
- Permanent installation of a 75 x 148 triptych painting in Greenville, South Carolina's mixed-use hub building, ONE.
- Partner with Organic Records and Mountain Home Music Company since 2015 as a conceptualizer and artist who paints large-scale works that are then spun into CD covers and released on National levels.
- Hired as the curator for a group of select artists in Western North Carolina.
- Installation of large-scale pieces inside EDISON'S, which is located inside the historic OMNI Grove Park Inn.
- Partner with Girls on the Run of Western North Carolina. Created a body of work titled, "Thirteen". This exhibition showcased 13 large-scale historical and influential women.
- Created a one-of-a-kind painting for Green Man Brewery used for the label of a seasonal, wet-hopped IPA beer.
- Traveled to remote regions of Cambodia (from art sales) and deliver over 250 all-terrain bicycles to young, underprivileged girls. These bicycles were distributed at a ceremony where Nancy spoke through a translator about the importance of education and self-esteem in young girls.
